School Preparation

1. How were the students prepared prior to the author's or illustrator's visit (e.g., introduced to some or all of the author's or illustrator's works, coached on interview techniques, assisted in question preparation)?

2. What steps were taken to align the author's or illustrator's visit with specific curriculum outcomes, reading strategies, genre study, writing traits, etc.?

Author's or Illustrator's Presentation

3. Did the author or illustrator effectively engage the audience?

4. What aspects of the creation process did the author or illustrator articulate to engage students in making personal connections to writing or illustrating?

5. Would your school (staff and students) recommend this author to other schools? If the answer is Yes, provide any specific aspect another school might find useful. If the answer is No, briefly explain why not.
